ETHNIC EXPO CONTINUES: CHANGES IN THE FUTURE

Columbus, IN...Mayor Fred L. Armstrong who recently expressed concerns regarding the future of Ethnic Expo is pleased to report that, although changes will be made, Ethnic Expo will continue and will be an even bigger, better and a more, unexpected/unforgettable event in the future.

Mayor Armstrong has directed his Department of Community Development to work with (potential) sponsors and other agencies/organizations interested in making this event an even more fun-filled celebration.

"After 25 years, the feedback we are getting is that the community wants to keep Ethnic Expo alive and well", said Armstrong.

Armstrong also said that changes to the event should be announced shortly after the first of the year.

"We still plan to have the food court, the International Bazaar and the parade – and we are considering some changes that will make Expo an even more kid-friendly event that is more-inclusive than it has been over the past 25 years".

Anyone with questions or anyone who would like to submit suggestions and/or recommendations regarding changes to Ethnic Expo should contact the Department of Community Development at 812-376-2520 or email communitydevelopment@columbus.in.gov
